

**Remarks**

Applicants thank Examiner Tang for the careful examination of this application and the clear explanation of the rejections. In response, applicants cancel claims 1 – 12 and insert new claims 13 – 26. The new claims are fully supported by the original specification and drawing figures. They distinguish over the known art and are patentable.

Applicants respectfully request that the application be further examined and all pending claims pass to issuance.

Respectfully submitted,

Yingsheng Tung
